Featured Speakers:

Steve Cascione – Meteorologist and Litigation Consultant
Anthony J. Gianfrancesco, Esq. – Defense Perspective
Henry S. Monti, Esq. – Plaintiff Perspective

Please join us for an edifying culinary and educational experience as meteorologist and culinary aficionado **Steve Cascione** discusses some of his favorite Italian recipes and shares with us his meteorological expertise as it relates to law and evidence. Steve's experience spans five decades as a television weatherman, meteorologist and litigation consultant. As a consultant, he has provided expert testimony in civil and criminal cases. His presentation will explore how atmospheric conditions can affect many types of cases including: Premises Liability, Construction Site Accidents, Vehicle Crashes and Sports and Recreation Liability. Complementing Steve's presentation will be a presentation and commentary by these seasoned attorneys: **Anthony J. Gianfrancesco** (with the Defense perspective) and **Henry S. Monti** (with the Plaintiff's perspective). The panel will also discuss case law and recent developments in the area of snow and ice cases, as well as strategies for effectively qualifying experts and presenting expert testimony and evidence.
